Subject: Oxitec Communication Strategy

Hi Bob and Mike,

Here's the comm strat. See second item on timeline for entities BPPD is supposed to notify. Bob, in case you're on your phone, here's the BPPD responsibility.

Ex. 5 Deliberative Process (DP)

Should probably take place tomorrow morning if the EUP is signed and OPP Update goes out around 2:30 tomorrow.

Thanks,

Dian D. Overbey
